

What is MUUG?

The Manitoba UNIX User Group

Who are We?

The Manitoba UNIX User Group (MUUG) is a local group of computer users, based in Winnipeg, who share an interest in UNIX®, Linux, BSD, and open systems technology. MUUG's main objective is to allow members to meet others with similar interests, providing a forum for sharing ideas and information about open systems and their applications. MUUG is comprised of members from the education, government, business and hobbyist communities, with varying levels of systems experience.

Meeting Date & Time:

We meet at 7:30pm, on the *first* Tuesday of every month, from September to June.

Meetings start with a “round table” session, an informal Q&A for all in attendance, followed by one or more formal presentations. Presentation topics vary, but are always announced in advance in the monthly newsletter, *MUUGlines*, and on the *muug.ca* web site. The current issue as well as back issues of the newsletter can be found on the group's web site.

Membership fees are \$20 per year.

Where to Find the Meeting:

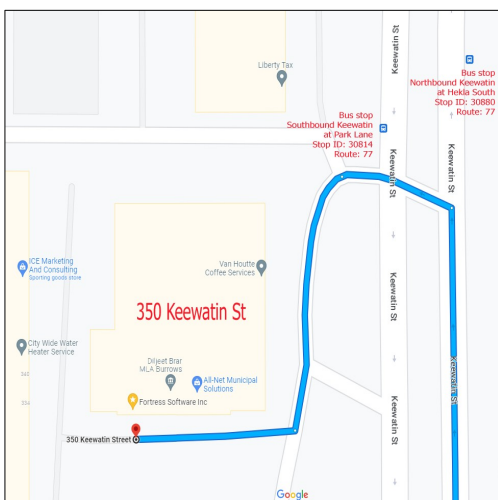

**Fortress Software Inc.
350 Keewatin St – Unit #2**

(Thanks to Brad Vokey, of Fortress Software Inc.)

The meeting room will be open by 7:00 pm, with the actual meeting starting at 7:30 pm.

If driving, enter the lot using the most north-eastern entrance (far right in the above picture) and drive around to the south west corner of the building (see route in map detail). You can use any of the free, ample, and safe parking spots that say “reserved” in front of units #1 through #4 before entering unit #2 (the one with the MUUG logo above the door!).

Bus stops #30814 and #30880 (route 77) are only 150 meters away. The last bus leaves for Polo Park at 10:15 pm and for Garden City at 10:31 pm.

Logan Ave. bus routes #19, #26, and #27 are a 600 meter (8 minute) walk to the south.
